INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Bread of Life Mission
Seattle, Washington

We have audited the accompanying financial statements of Bread of Life Mission (a nonprofit organization), which comprise the statements of financial position as of June 30, 2020 and 2019 and the related statements of activities and net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

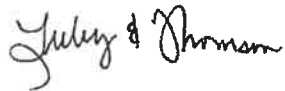

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bread of Life Mission as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

BREAD OF LIFE MISSION

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2020 AND 2019

NOTE 1. ORGANIZATION

The Bread of Life Mission (the Mission) is a Washington nonprofit corporation located in Seattle, Washington. The Mission operates as an evangelic Christian ministry providing meals, lodging, and employment assistance and training to homeless men in the Greater Seattle area. The men's shelter is located in facilities owned by the Mission. The Mission is supported primarily by contributions from the general public and a cross section of churches. A nominal fee is charged to individuals who receive lodging.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by the Mission are as follows:

Basis of Accounting and Presentation

The financial statements of the Mission have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which require the Mission to report on the accrual basis of accounting and to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Mission. These net assets may be used at the discretion of the Mission's management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by the actions of the Mission or by the passage of time. Other donor restrictions are perpetual in nature, where the donor has stipulated the funds be maintained in perpetuity. All of the Mission's net assets with donor restrictions are temporary in nature.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from the estimated amounts.

BREAD OF LIFE MISSION

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2020 AND 2019

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash and Cash Equivalents

For the purpose of the statements of cash flows, the Mission considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. At June 30, 2020 and 2019, cash and cash equivalents consist of checking and savings accounts deposited with major financial institutions. At times, balances may exceed the federally insured limit. The Mission has not experienced any losses related to this risk.

Fair Value Measurements

Fair value is a market-based measurement determined based on assumptions that market participants would use in pricing an asset or liability. There are three levels that prioritize the inputs used in measuring fair value as follows:

- Level 1: Observable market inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: Observable market inputs, other than quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

The Mission reports its investments at fair value using Level 1 inputs.

Accounts and Grants Receivable

Receivables are stated at their outstanding principal balances. Management reviews the collectability of receivables on a periodic basis and determines the appropriate amount of any allowance. The Mission charges receivables off to the allowance when management determines that a receivable is not collectible. No allowance was considered necessary at June 30, 2020 or 2019. All receivable balances are due in less than one year.

As of June 30, 2019, 63% of all accounts and grants receivable was due from one source. There was no such concentration at June 30, 2020.

Property and Equipment

Property and equipment are stated at cost or an amount approximating cost. Property and equipment with a life of at least one year, and a cost or donated fair value in excess of \$1,000, are capitalized and depreciated. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Useful lives are 25 years for building and improvements, and 5 years for equipment and vehicles.

BREAD OF LIFE MISSION

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2020 AND 2019

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition

We have analyzed the provisions of the FASB's ASC Topic 606, Revenue from Contracts with Customers, and have concluded that no changes are necessary to conform with the new standard.

The Mission receives revenue from grants, contributions, and shelter revenue. Revenue from these sources is recognized as follows:

Grants and contributions: Grants and contributions consist primarily of unconditional promises to give. Unconditional promises to give are recognized as revenue in the period the promise is made. Conditional promises to give are not recognized as support until the conditions are substantially met.

Bequests: Bequest revenue is recognized when the Mission is informed that it will receive a bequest and the amount to be received is known. The Mission does not recognize bequest revenue until the passing of the donor.

Shelter revenue: Shelter revenue is the result of exchange transactions for meals, lodging, and related items. Revenue from exchange transactions is recognized in the period the service for the exchanged benefit is performed. If payment is received in advance of services being performed, deferred revenue is recorded. There was no deferred revenue at the beginning or end of the years ended June 30, 2020 or 2019.

Donated Goods and Services

The Mission receives donated services from unpaid volunteers who assist in fundraising, office support, and special projects. No amounts have been recognized in the statement of activities because these contributed services do not meet the criteria for recognition.

The Mission receives donated food, clothing, and other goods which have been included in the accompanying statement of activities at their estimated fair values as required by generally accepted accounting principles.

Advertising

Advertising costs are expensed as incurred. For the years ended June 30, 2020 and 2019, advertising costs were \$9,236 and \$9,331, respectively.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2020 AND 2019

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis.

Individual expenses that solely relate to one program or supporting service are allocated in full to that category. Expenses that relate to multiple programs or supporting services are allocated as follows:

Payroll, payroll taxes, and benefits – employee time and effort.

Depreciation – use of the underlying assets.

Telephone – location of phone lines.

Income Tax Status

The Mission is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Mission qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(vi) and has been classified as an organization other than a private foundation under Section 509(a)(1).

The Mission has determined there are no uncertain tax positions for the years ended June 30, 2020 and 2019, and the accompanying financial statements contain no interest or penalties with respect to federal income taxes. The Mission's federal income tax returns remain open for examination to the extent prescribed by the Internal Revenue Code.

NOTE 3. AVAILABILITY AND LIQUIDITY

The following represents the Mission's liquidity and availability at June 30:

Financial assets at year end:	2020	2019
Cash and cash equivalents	\$ 292,489	\$ 258,259
Investments	1,222,995	942,231

Total financial assets	1,524,973	1,240,060
Less amounts not available to be used for general purposes within one year:		
Net assets with donor restrictions	8,102	135,202
	8,102	135,202
Financial assets available to meet general expenditures over the next twelve months	\$ 1,516,871	\$ 1,104,858

BREAD OF LIFE MISSION

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2020 AND 2019

NOTE 3. AVAILABILITY AND LIQUIDITY (continued)

The Mission's goal is generally to maintain financial assets to meet 2 to 3 months of operating expenses (approximately \$225,000 to \$335,000). Cash and cash equivalents are held in readily available checking and savings accounts. In the event of liquidity issues, the Mission can sell investments for use in operations.

The COVID-19 Pandemic has impacted the Mission's operations. In order to comply with Washington State's "Stay Home, Stay Healthy" Order, the Mission is operating the emergency shelter at a reduced capacity to maintain appropriate social distancing. The reduced capacity is expected to negatively impact the Mission's shelter revenue during the year ended June 30, 2021. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration. Therefore, while the Mission expects this matter to negatively impact its operating results, the extent of the financial impact and duration cannot be reasonably estimated at this time.

The Mission received several large contributions intended by the donor to provide general support throughout the COVID-19 Pandemic. These contributions, in conjunction with efforts to reduce expenses, are expected to allow the Mission to continue operations through one year from the date the financial statements are available to be issued.
